

2017 Spring News

Hello again, we hope you are enjoying the summer!

We have a few new things happening at Veri HQ and we thought we'd share them with you,....

QQI have organised a Conference which will bring together a panel of experts to discuss and explore the implications of the digital economy and society for the demand, development and recognition of Skills and Qualifications. More information [here](#).

Phase 2 of the ETB Tender will be announced shortly, remember to nominate Veri as your Information Management system, even as a subcontractor, QA and a fit for purpose Management Information System will be required.
