

2017 Spring News

**Hello Everyone,
Here is what's new at Veri HQ over the last few weeks....**

Veri will be leveraging the skills and expertise of Google Ireland's Digital Consultants, to ensure our software as a service to our clients continues to grow and perform at world class standard.

We will be blogging about our experience so watch this space!

Everyone is still waiting patiently for the ETB Tender Result of Phase 1.

We have had a massive response to our ETB Earlybird offer, thank you to everyone who got in touch.

We will hold another webinar this Wednesday to support admins and tutors as they continue to use the system.

We still have space if you want to confirm your availability by return.
